OR SHALOM
JEWISH RENEWAL
SYNAGOGUE

During Or Shalom's Selichot service we have the opportunity for deeper introspection in preparation for the Days of Awe. Sacred song, guided imagery meditation, Chassidic text and chevruta conversation will be our modalities of exploration as we consider our relationships to heaven and earth, our loyalty to our own souls and our connection to other creatures.

Please plan to join us on time so that we are united in initiating and maintaining sacred community.
